Options for the 2025-26 School year:

- Parents of two-year-olds have the option to register for either a Monday/Wednesday class or a Tuesday/Thursday class.
- Parents of three-year-olds have the option of either a three day/week class (Tuesday/Wednesday/Thursday) or a four day/week class (Monday through Thursday).
- Parents of four and five-year-olds have the option to register for a 4-day Pre-K Class (M-Th) or a 4-day (M-Th) TK (Transitional Kindergarten) Class. The TK class is recommended for children who may need an additional year of preschool to grow and mature socially/emotionally or academically before heading off to kindergarten. Typically, this class is for children who may have a fall birthday and are the oldest in the preschool. Children in this class must be 5 years-old by December 31, 2025. Exceptions for children with a birthdate after December 31st may be considered by the director, if endorsed by the classroom teacher and there are available slots in the class when rosters are solidified in August.

For those children who are currently enrolled in the preschool, if there are more applicants than slots for any given class, the following criteria will be followed:

1. All currently enrolled children of church members and non-church members will be included in the lottery simultaneously.
2. All currently enrolled children who are 5 by August 31st will have priority and automatically secure a spot in the 4-day, TK class. All others will be entered into a lottery for the remaining slots.
3. The preschool will establish a waiting list if your choice of class is not available.
